Subject: Prevention of harassment to Whistle Blowers.

CIRCULAR NO. 10 GAD(VIG) of 2008
Dated 31 -03- 2008

It has been reported that ' Whistle Blowers' on the basis of whose information and cooperation, the Vigilance organization has been able to identify corrupt elements in the administration and successfully conduct ' trap cases' are generally facing official apathy and have become kind of 'persona-non grata' in government offices thus adversely affecting their legitimate work and interests.

The matter was examined and it was felt that circular instructions be issued to all Administrative Secretaries and HODs to advise the officials working under their supervision and control not to show official apathy and/ or unsympathetic attitude towards 'whistle blowers and to attend to their legitimate work and demands in an objective manner and under rules as is being done in case of all other citizens approaching them.

Further follow-up action may be taken accordingly.
